

# BCSA June 12 Match Results

Deja Vu!!! We had 2 couple minute downpours during our sight in session then not a drop for the whole match!! Sounds quite a bit like last months match!!

We ended up with 7 shooters out to brave the elements, and of course the shooters were victorious! The day turned out partly sunny, with the humidity on the rise throughout the match. The course was on the on the hard side (maybe a little too hard), but overall everyone seemed to enjoy themselves. The winner of this weeks Noteworthy Targets T-Rex swinger was George F. We also had additional raffle prizes this week donated by Dave L. Jerry L. won his entry fee back, Harold S. won an Allen set & Joseph B. won a set of B-Square rings. Congrats to all!!
