

BCSA September 11 Match Results

Saturday September 11

Yet another Excellent day for a Field Target match!! The temperatures started in the upper 40's during sight in and rose to the mid 70's by the end of the match. We had a little fog in the area that lifted and brought out nice blue skies! There were just a few slight gusts of wind every now and then, but mostly just a calm awesome day.

Nine shooters were on hand for our last match of the season. Four shooters traveled from down near the NYC area along with one from central NY, one from central PA, two locals and one from Crosman. The tragedy 9 years ago was on the minds of all. Thoughts and prayers go out to the all the families and friends!!

This match was one of our tougher ones that we have had this year. There were plenty of challenging targets throughout. Kill zone sizes ranged from 3/8" to 1 3/4". No target malfunctions and no cold lines! There were a few hit/no hit questions, but no other squads had any issues so those were put to rest.

The winners of this months Noteworthy Swingers were Bartek D., Tom W. and Tom H.!! Congrats to all, and enjoy!

BCSA would like to thank all of you that have attended this year and we'll see you and others in April 2011!!!!
