What can one say about springtime in Southern California? It was another day in paradise as the CASA FT club met at the Prado Olympic Shooting Range. Today we hosted a full range of classes including pistol and hunter. A couple of new faces showed up to contest in the pistol class. welcome to Bruce and Wayne. An old friend that has been scarce of late also made his appearance. Nice to see you, Ben. And lets not forget the personal best shot by Chuck Buchanan. The day was bright and clear with a moderate amount of multi directional wind. I remember one target that required a left hold on one shot and a right hold on the next. all in all it was a great day of shooting.
