Remarks:

This was our first match since June. We decided to open the range for registration and sight in at 8:00 and start the match at 9:00 to avoid the afternoon heat. This seemed to work out well, even for those who had to wake up really early to get to the match. We had ten shooters show up including recent transplant from up North, Dave Bingham.

Open class had the most number of participants. Will Piatt was high Open, and high overall, with a great score of 56, followed by Scott Allen with a 53, Paul Porch with a 51, and Ray Hawkins with a 38. Dave Bingham was the single participant in Open Piston and finished with a 16. Dave, welcome to NC and we hope to see you at the next match.

In Hunter PCP, Philip Hepler shot a 36. Mike Finchum was first in Hunter piston with a 29. Ed Canoles was second with a 23.

Don Armstrong and I were the two WFTF shooters. I finished first with a score of 44 and Don had a 35.

As is becoming a tradition, the club secretary, Carly Anderson, showed up with some nice awards and ice cream sandwiches for everybody. Thanks Carly.

I would also like to acknowledge the club treasurer, David Devine for his continued efforts to help with make the range match-ready.

Thanks to everyone that participated. Watch the FT forum for the next match.
