Weather: An absolutely gorgeous day with a high of 65 degrees and a mild inconsistent virtually undetectable breeze

2009'S New York State Field Target Championship had the most beautiful weather we have had in many years at our final match of the season. 19 shooters participated this year, 4 of which were first time Field Target shooters and 2 experienced shooters that were new to our venue. 2 of the new shooters were also juniors which is the life blood of the shooting sports so this was encouraging. The slightest breeze played havoc on long shots for the low powered shooters as the breeze was not very detectable. The 75 yard bonus shot went down 4 times during the match hit once by Harold Schaefer, twice by Hans Apelles and once by Ray Apelles using a 7.6 filb pistol with a shoulder stock added.

In the end there were 2 ties that required shootoffs. A highly contested battle for the title of New York State Junior Field Target Champion took many rounds to complete as either they both hit or both missed the sudden death targets. In the end 14 y/o Jade Vaccaro beat out 16 y/o Nathan Thomas for the title.

In The Off-Hand Division Joe Giunti won the shootoff with Larry Bowne for New York State Off-Hand Champion with the shootoff taking only 2 rounds.

Thanks to all that showed up and we look forward to seeing you next year.
