

# MCAFT September 11 Match Results

Another one in the books at the Mt. Cheaha Airgunners. It was a great day for FT. Sunny, breezy, temps in the low 90s. Rod Bradley carried the day (on two hours sleep) with his HW97 in .20. We welcomed a couple of new shooters, Mike Koratich and Ben Oswalt. It was also good to have Allen Hughes down from the GOB club and Doug Vinson from Atlanta. The course was 60 shoots, 28.5 TDF. Thanks to Alan Hughes for the pics.

Here's how it shook out.

Piston Class

Rod Bradley 50/60 HW97 6-24 B&L

Ben Oswalt 38/60 Junior Shooter. Beeman R7, Simmons Pro Air 6-18 (32 faceplates, 3 knockdowns)

Doug Vinson 34/60 JW 75 Leupold 35 Comp

Paul Oswalt 33/60 HW77 Hawke 10x

Alan Hughes 29/60 TX200 Bushnell 8-32

Mike Koratich 8/60 Benjamin Trial Centerpoint

Bread was broken at a local burger joint known as Jack's here in Heflin (at the request of Ben). Also because my son beat me, I had to do my best rendition of "Pant on the Ground", including dance moves because according to him he "beat Dad's pants off!". No video is available of me, but this will have do:

We'll be shooting again on the 2nd Saturday in Oct. Also, the AL State Match will be held on Nov. 13. Information and registration forms will be posted soon.

Thanks,

Paul
