

Republic of Texas Match Report

First of all, thanks to Scott York, Carlos and all of the guys/gals in Texas that went to a great amount of effort to host the ROT match. Everything was top notch from the targets on the courses to the side shoots after match hours. The food and hospitality was just second to none! I had a great time and I'm looking forward to this years National Match that will be held there in Texas in October.

If you haven't already registered, go to <http://www.yeguafielddtarget.com/> and sign up today. It will be a great match with tons of side shoots and other fun. Don't miss it!

Take care,

Harold Rushton
