

## WWCCA May 20, 2012 Field Target Match Report

WWCCA held our first Field target match of 2012 on Sunday May 20<sup>th</sup> and the weather couldn't have been better. Bright sunshine and the mid eighties ruled the day. Eleven shooters joined us on the Air gun walk through range, and a new member Robert Wozniak and his daughter Dana enjoyed our clubs air rifles on the practice range.

Joe Engelhardt, Dick Saunders and I set up for the event on Saturday as is our usual practice and with all the equipment issues the preparation took five hours to complete. Dick is quite the artist and all the participants were impressed with the paint jobs on the field targets. The natural colors and contrast of the paint schemes really helped to range the targets especially on the dark lanes. I can't thank them enough for all their hard work in preparing the course.

The course was set up with ten lanes, three targets per lane with two shots per target for our sixty shot event. The Troyer rating for the event was 36.7, a lot harder than I planned for the first match of the season but enjoyable none the less.

Charlie Smith-Firman	Beeman R-9	Burriss 4-12	.177 H&N FTT	Hunter	5

The match started later than planned as Eric Sanders had the fill seal blow out just as we were ready for the safety meeting. With the help of Rick Broughton and Jim Stanis they were able to repair Eric's rifle so he could compete with us. Dick Saunders also posted a fine score for a first timer at the field target game. We had three groups of three shooters and a group of two shooters with the odd amount of participants.

After the completion of the match the majority of the participants helped to clean up the range and store our equipment in the shed. We then enjoyed a lunch in the club house. The next match is scheduled for June 10<sup>th</sup> and the Great Lakes 100 is scheduled on July 13<sup>th</sup>, 14<sup>th</sup>, and 15<sup>th</sup> is year. We plan on moving it back to August next year but the World FT championships are in August this year so we felt it would be best to change the date for this year. Hope to see you again in June, until then have a Blessed day.
