

# Yegua FT Match

July 19, 2008

This month we started FT rifle match early to beat the heat, but Mr. Reedy added some heat of his own with a runaway victory. Carlos and Bob came in second and third respectfully after a shoot off.

In IFTP, Mr. Robinson, Mr IFTP as we are calling him these days, whopped the field handily in both Scope and iron Sight classes. Ron set a lighter course this month but we still were only second best to Ron.

We shot 42 targets for both rifle and pistol. There were three targets per lane and two shots at each. The targets were moved in and larger kill zones were added for the pistol match. The temps were in the 90's with a nice breeze in the AM.

The heat in Texas continues to rise but the turnout stays steady and we always like to see new shooters out. Hope they will join us again next month. The old timers like Bob Z also show up then and again. We will again shoot on the second Sunday of the month in August but at a different location with a pool, cool!

Hope to see everyone there!

Thanks Paul
