

BFTC 4th Annual Awards Match & Texas Grand Prix (1st Leg)

March 18, 2018

Weather went from cloudy to clear skies with a few minutes of light rain later in the afternoon, but altogether making for a very pleasant day at the range!

You know someone had a great day when a 55/60 is just good enough for 2nd Place; and indeed it was a great day for Robert Droege, posting a club-high score of 58/60 in WFTF PCP... Congrats to Robert!

Matt Sawyer posted that 55/60 (WFTF PCP), followed by Jeff Cloud with a 50/60 (WFTF Piston) rounding out the "50's Club".

Due to the low number of registrations per class, Awards were given based on power-plant for the Rifle match: 1st to 3rd Place PCP, and 1st to 3rd Place Piston. On the Piston side we had a tie for 2nd & 3rd Place which was decided by a shoot-off, with Randy Smith winning over Leo Duran on the first round.

Congratulations to all Awards winners! And many thanks to all in attendance, and to those that lent a hand with the work.
