Remarks:

It was a fun day to shoot with fair conditions and little to no air movement made for a great day.

There were a total of 12 shooters, with 7 in the Hunter division (5 PCP and 2 Piston). Miguel beat his personal best in Hunter (53) to challenge Philip (53) in a tie breaker for first. The tie breaker was done on lane 5, forced standing and the target being the crow in the tree. Philip started with a hit, Miguel answered that with a hit. Philip's 2nd shot was a miss leaving it up to Miguel, who also missed. Philip's third shot was another hit and Miguel missed his. Thus, leaving Philip with first, Miguel second, followed by John with a 50, Mike E. a 46 and Mike F. a 31. Ed claimed the Hunter Piston group first place with a 32 and David got 2nd with a 4. Open Division had 4 shooters with Will taking first and high score of the day with a 56. Raymond took 2nd with a 45 and Paul got third with a 43. In WFTF, Ron was the only shooter, finishing with a 29.

CCGCI would like to thank everyone that made it out. An extra thanks to those who assisted me, so we didn't need to cancel due to Gerald being unable to attend. Next match at CCGCI is scheduled for Sept 22.
