Remarks:

This was our first match at the new Field Target range. The weather was perfect from a temperature standpoint, but the wind was a different story. I had to verify the wind speed on Weather Underground, but the numbers you see are correct. And as you can tell from some of the video clips, the conditions were very challenging.

The pond lane received the most accolades. The wind was almost directly from a three o'clock position and required significant hold off. I heard one shooter say they held five minutes right.

Will Piatt was high Open and high overall with a very impressive score of 56. Scott Allen finished second in Open with a very respectable 46, followed by Paul Porch with a 38.

In Hunter PC, Ammon Piatt was first with a score of 50. Joe Magarelli and Philip Hepler tied at 44. After several attempts at a shoot off without a winner, the tie was still not resolved, and the competitors decided that food was more important. Hunter piston went to Curt Hathaway with a score of 35 followed by Mike Finchum with a 22. This was Troy Ammons' first field target match, and he shot it

freestyle scoring hits on 3 targets. Matthew Magarelli, a first time Junior shooter, hit 33 face plates and scored a respectable 6 in his first match. Two of those hits were on the woodpecker target on the pond lane. Good job Matthew!

Don Armstrong shot a score of 29 in WFTF. Raymond Hawkins also shot a score of 29 in Unlimited.

Thanks to everyone that participated. Watch the FT forum for the next match.
