Springtime In The Fall

This was our final "formal" match for 2009. It turned out that we all chose to shoot our spring guns on this beautiful fall afternoon. Weather conditions could have not been better. Puffy winds deep blue skies, low humidity, and afternoon temperatures in the 70's made for a great outing at the club. We started with a 30 shot FT Match followed by an Air Pistol Silhouette shoot. The 4 Field Target rifle shooters...(yes only four shooters today !!) were later joined by a few on lookers for the silhouette event. That's great! We always encourage air gunners to share in on the fun. A few said they would join in our next pistol shoot.

Scores for the shoots are posted below.

SHOOTER: SCORE: Rifle / Scope / Pellet

PISTON:

- 1) Ron Zeman 26 TX200SR/ Burris 8-32 / Beeman FTS

After the FT shoot we held our "casual" 20 shot air pistol silhouette match . The firing line was located under the cool shade of a huge Oak tree so it was quite comfortable to shoot into the afternoon. Our activity attracted a few onlookers who said they will join us at our next pistol event. Hopefully they will. No one shot their pistol well today, at least Freddy had an excuse of using a borrowed gun.

Air Pistol Silhouette Results:

- 1st Ron Zeman - 6/20
- 2nd Dick Otten 4/20
- 3rd Harry West 4/20
- 4th Fred Poole 0/20
