

# Delaware County Field & Stream

## September 7 Match Results

We had a beautiful sunny day following the storm yesterday with a little wind mixed in to make our monthly off-hand field target match at Delaware County Field and Stream a little more challenging. There were 11 shooters in total (we would like to see more folks in the future).

The overall standings are given below and in the attached jpg file.

Ray won PCP and achieved match high with his Discovery. Larry Browne won the Piston Class with an excellent score of 42.

If you are looking for a lot of fun with a great group of guys check out our club in Brookhaven PA. Our next FT match (standing - PC, Piston, pistol and Hunter classes) is on October 5 (start time 9:00 AM).
