

Saturday, August 8 2015 Match Report

We had fantastic weather, perfect temperature, mostly sunny, with a few clouds passing now and then. The only disappointment was the almost absence of wind.

We shot a 72-shot match, with one offhand lane and one fast lane (well, not too fast: 3 minutes for 6 shots).

The average difficulty of the course was 25.3T

Only ten shooters on the line, among which a new shooter, Evan Walding, and exceptional scores. The highest score of the day (68) was shot by Dean Mihalovitz shooting Unlimited (prone position, attached bipod and scope cranked up to a whooping 16x), followed by Tinh Nguyen (66), and Dan Nelson (65), the only Hunter of the day.

The next appointments at DIFTA are September 5 (Fun Shoot) and September 12 (regular FT match).

The September 12 FT match will be a bit harder than usual to help preparing for the Nationals.

See you soon!
