Weather: High of 64 degree with a very slight somewhat unpredictable breeze

The day was absolutely gorgeous with bright sunlight creating some shadows. No leaves on the trees and an absolutely fantastic turnout. We broke our previous record of 29 participants by 5 for a grand total of 34 shooters. This was also the first match of the Minutemen FT League which had 19 shooters participate in. A very promising start to the league. I do believe the league will help the attendance at the local matches in our area. Results for the league can be found on our website.

Congratulations to all of the New York State Champions and Thanks to everyone that made the drive to attend. With the cost of Gas and the Storm barely behind us it really shows the dedication so many of us Field Target Shooters have to the sport.

The course used one .875" target set at 20 yards, 5 1.25" kill zone targets the longest set out at 13 yards, the rest of the targets were all 1.5" to 1.75" inches in size.
