

# 2013 AAFTA Grand Prix

The following rules apply in order to have a match be part of the Grand Prix

- 1) Only AAFTA member clubs (in good standing) can hold a match that qualifies for the Grand Prix
- 2) The match must be announced on the AAFTA website a minimum of 2 months in advance
- 3) Match results must be posted on the AAFTA website
- 4) The match must follow AAFTA rules, and last 2 or more days
- 5) At least 20 shooters must compete in the match, with at least 15 shooting each day, and all with scores in the same class each day
- 6) The match must be of a 100 or more shots (shot counts above 100 will be normalized to 100)
- 7) Except for Nationals, at least 10 of the total number of shots per match must be forced-position shots
- 8) Except for Nationals, a venue's locale or hosting club will be counted once per season
- 9) The Grand Prix season starts after Nationals, and ends at the next Nationals
- 10) Awards:

- a. Grand Prix awards will be presented at the AAFTA Nationals
- b. All AAFTA rifle classes qualify for awards
- c. A minimum of two scores are required per shooter, per award; with at most the best 3 scores counted
- d. Shooters may be considered for awards in more than one class, but only scores from one class per match will be used
- e. A minimum of 3 shooters with the same number of qualified scores are required per award  
E.g., With less than 3 shooters with 3 scores, but at least 3 shooters with 2+ scores, the award will be based on the best 2 scores
- f. Scores from a class consolidated with another are allowed, but the shooter must also comply with the rules of the consolidated class  
E.g., WFTF-Piston is consolidated with Hunter-Piston: Shooter must comply with WFTF and Hunter rules; which translates to:  
sub-12 fpe gun, scope at no more than 12x, no clicking, no bucket, and no sticks/bipod
