2014 AAFTA Grand Prix

The following rules apply in order to have a match be part of the Grand Prix

1) Only AAFTA member clubs (in good standing) can hold a match that qualifies for the Grand Prix
2) The match must be announced on the AAFTA website a minimum of 2 months in advance
3) Match results must be posted on the AAFTA website
4) The match must follow AAFTA rules, and last 2 or more days
5) At least 20 shooters must compete in the match, with at least 15 shooting each day, and all with scores in the same class each day
6) The match must be of a 100 or more shots (shot counts above 100 will be normalized to 100)
7) Average Course Difficulty must be at least 30T, without taking into account Light or Wind conditions (please submit Troyer calculation sheet with match results)
7) Except for Nationals, at least 10 of the total number of shots per match must be forced-position shots
9) Except for Nationals, a venue's locale or hosting club will be counted once per season
10) The Grand Prix season starts after Nationals, and ends at the next Nationals

Awards:

a. Grand Prix awards will be presented at the AAFTA Nationals
b. All AAFTA rifle classes qualify for awards
c. A minimum of two scores are required per shooter, per award; with at most the best 3 scores counted
d. Shooters may be considered for awards in more than one class, but only scores from one class per match will be used
e. A minimum of 3 shooters with the same number of qualified scores are required per award
E.g., With less than 3 shooters with 3 scores, but at least 3 shooters with 2+ scores, the award will be based on the best 2 scores
f. Scores from a class consolidated with another are allowed, but the shooter must also comply with the rules of the consolidated class
E.g., WFTF-Piston is consolidated with Hunter-Piston: Shooter must comply with WFTF and Hunter rules; which translates to:
sub-12 fpe gun, scope at no more than 12x, no clicking, no bucket, and no sticks/bipod
