--Here are the scores from the **August 8, 2015** - 60-shot match with only five shooters. Neil is so dedicated that he showed up before the match (but didn't stay) even though he was in pain due to injury to his foot. The weather was great with just a little wind and cloud cover so it wasn't so hot. Sorry we don't have any photos. Neither Jay nor Cheng were at the match to take them.

--Thanks for helping to get the range ready, Mike, and hope the little shrew that attempted to "get in your face" at the top of the ladder, when you uncovered the target, finds a new home! The range really looked nice. Thanks, Mark, for spraying them last month.

--Hope to see more shooters at the **SEPTEMBER 12 STATE CHAMPIONSHIP MATCH.**
