

Match Report Heflin 3.11.17

Hi all,

I hope everyone had a great time at the match last weekend. The weather was great that's for sure.

Many thanks to Ken for handling the all the MD duties for me. By the looks of the scores, it seems that everyone had a good time.

It was great to have another new shooter out, Shawn Burkett. Looks like Ken Hughes was the high shooter of the day. This was a 48 shot match.

Remember, next month's match will be the fourth Saturday in April, the 22nd. Hopefully this will be the last change in match dates. Thanks to everyone for your patient understanding.
