

Niantic Sportsman's Club Match Report - June 29, 2014

Hello All,

We had beautiful weather for the match on Sunday, June 29th. Ten shooters participated. We had NO cold lines to repair targets. In fact...our set up crew was sooooo good that there were four (4) extra targets set up!!!! Instead of a 60 shot match we ended up with a 64 shot match and still had two targets to spare. We had a three place tie in Hunter Field Target which went into double overtime with John Eroh edging out Brian Williams (who was running out of pellets) in a kneeling shoot off. Kent Lacy (Who went in tied for second...shot the entire match kneeling). The scores/results were:

Hunter FT

Tom Wade...49/64...77% FIRST PLACE

John Eroh...46/64...72% SECOND PLACE

Brian Williams...46/64...72% THIRD PLACE

Kent Lacy...46/64...72% FOURTH PLACE (Honorable Mention...shot entire match kneeling)

Open Class PCP

David Fontaine...62/64...97% FIRST PLACE

Matthew Sawyer...61/64...95% SECOND PLACE

Hans Apelles...59/64...92% THIRD PLACE

Wold Class Spring Piston

Veronica Ruf...59/64...92% FIRST PLACE

Hector Medina...55/94...86% SECOND PLACE

Open Class Spring Piston

Paul Bishop...55/64...86% FIRST PLACE

As you can see everyone shot well. I think the Troyer for the match was a bit low. It was estimated to be in the twenties or so. Everyone agreed however that an easier match was more rewarding, especially for new shooters. No one cleaned it either.

Have a safe day and keep the environment first.
