

PECAN PLANTATION FIELD TARGET MATCH

Texas Grand Prix Match 2nd Leg

May 12, 2018

Below are the match results from Saturday. Saturday's match was the 2nd leg of the Texas Grand Prix Series. We had 20 people shoot rifle and 8 people shoot pistol. It was a nice day but very windy and the scores showed it. The 56 shot course had a non-wind Troyer of 28.1 for Rifle and a 30.7 for Pistol. I went back and calculated for wind and it came up to 34.8 for Rifle and 37.5 for Pistol. I think the wind Troyer did a good job predicting of the scores.

That said we had some good shooting. Terry Vanpool was 1st in Hunter PCP on overall match winner. Jim Clarke was the high piston score. We had 9 guys out of 20 shooting Piston. Had Droege not gone to the dark side this past year it would have been 50/50. We had 2 new shooters: David Jones & Vance Lowe. Glad you guys were able to join us and hope you come back. The next match in Granbury will be July 14th as it will be Dallas's turn in June (June 9th).
